AP CSA Prove It 1.1 Name of Student Who Loves Room 112			
I am proving my knowledge of Standards:			
o Call class methods to generate console output			
O Create string literals			
Level 3.0			
Write a complete Java program in a class called <b>ProveIt</b> that prints the following:			
Who did you ask?			
Mile at all all and a man 2			
What did you try?			
In all Honesty and with No penalty: I would rate my  After taking the assessment I think my score will be a			
preparation for this as a (0-1-2-3-4)		for the standard(s) assessed here	
		(0-1-2-3-4)
